Online Training Brochure

The Kepro HCQU serves eight PA Counties:

Allegheny	Greene
Bedford	Somerset
Cambria	Washington
Fayette	Westmoreland

However, our online trainings and resources are available to users everywhere.

Accessing Online Trainings

To access an online training, visit the Kepro HCQU website at hcqu.kepro.com

- * Click on the **Training** tab at the top of the page.
- * Click on the **Online Training Registration** link in the left-hand column.
- * Enter the needed information and click *Submit*. A registration code for the selected online training module will be displayed in a new window.
 - ◇ *The option to COPY or PRINT this code will be offered. It is important to choose one in order to save this code for use in the event the training needs to be stopped and then restarted later.*
 - ◇ Separate registration is required for each training to be completed; each registration code is specific to a person and training topic.
- * Click on the registration code link to start the training. If unable to see the training module, minimize all other windows open on the computer to find it. (Be sure to allow for pop-up windows in order to allow the training module to open.)
 - ◇ An option to access a .pdf copy of the training materials is available.
- * To access the training at a later time, click on the **Online Training Startup** link and enter the saved registration code.
- * After reviewing the content, click *Next* to start the test. A score of 70% or higher is needed for a training certificate to be generated. A registrant may re-take the test as many times as needed to obtain a score of 70% or higher.
- * Participant input is important to us. Please follow the prompts to complete an evaluation at the end of each training.
